Baintree Sidelights

The old town is as silent as the plains of Jupiter. Under a blanket of snow it is sleeping peacefully, undisturbed by school children or social gatherings. So if you are looking for society notes, you will have to be content with the news that we have one chicken laying, and thirteen lying. Sandow, the rooster, tried to fool us all, and for his puny imitation of a laying pullet, received a soaking on the thin place of his neck. And, as the serbo wished a wish over his backyard, we remembered what a friend told us recently: "The chicken is a great bird. You can eat it before it is born or after it is dead."

But a few days ago a lady who speaks of the good old U.S.A. as her birthplace, informed us that the Scotch were quite popular in her old home. Imagine our astonishment, when, on picking up the evening paper, we read that the American navy was levelling about forty thousand cases at Hun tin.

The Scotch are again free. No longer do they live to the rest of the nations as the closest people of the world. A gay bon and raised in the windy city of Chicago left a firecracker on his own porch, went into the house and told his kids that Santa Claus had committed suicide. As time goes on, they will undoubtedly blame it on a Jew or a Scot, as native born Americans never commit any crimes, when we read it we mortgaged the old wheelbarrow again, and when the thirty cents bought a pint of Irish spray. After the contents of the bottle had been drained into the pot of a yawning abyss, our came the old bagpipes. Instead of playing "Comin' for o' Rye," we established the town by tooth with might and main. "We Ain't Goin' Back to Dixie."

To enable us to find time to get the oat meal can filled, a lady living in the community has kindly volunteered to relieve us for a few weeks from our position as correspondent of the Standard. She believes in a happy and united community, we hope some bright good humored guy will start a wedding, or a surprise party, so that she can show the world at large that baintree is only sleeping—not dead. If you can't do any better put on a U.P.A. meeting and help to keep the trail open to the station.

And, George, old pal, no flirting please. In your own words, knitting is a "fired" occupation, we'd like to join you, but, alas and alack, we got to lie into the weazy old world to find someone who will trust us for the next meal until next year because this year. If we don't come back, don't say it with flowers, fellows. More than once, while attending funerals, we have noticed sad wreaths from guys, who, before the old had slipped the cable, wouldn't give him a match. Flowers are always nice, but not always truthful. Let you know it!

Napoleon! Josephine! giddy-up old dears. The roads ain't very good, but if we don't run down with a belly Ford, maybe we'd hit brother Hughes place at Iricana before the oatmeal gets cold; and, happy thought, if we have only a little luck and not too much snow, we'd find the cork of the New Year bottle, and make soup with it. You, kind sire, life is a regular merry-go-round—if a guy only held on. So long men, and please remember this: "Don't ever eat cheese before you go to bed."

Are you aware of the fact that the World columns of this paper present some of the best possible opportunities—opportunities to buy, to sell, or to offer a service? The cost is comparatively small when you consider the excellent results.

Iricana News

William was hitting on all four on the first day of January, one thousand nine hundred and twenty five.

Miss Derhansen, principal of the High School is visiting relatives at Sylvan Lake.

Mrs. J. W. McCulloch is confined to the house, suffering from an attack of the flu.

Mr. Herman Bradley, of the well-known agricultural firm of Messrs. Bradley and Goodwin, spent a few days in Calgary, a guest of the Hotel Pullier.

Mr. and Mrs. H. Miller spent New Year's day in Calgary, accompanied by Miss Peggy Shaw, niece of Mrs. Miller, who recently arrived from Scotland.

Virgil Nance has purchased the farm formerly owned by Mr. Somers Western, south-east of town, which comprises some 600 acres. Mr. Nance has been in the district for some years, and is the eldest son of the late W. M. Nance, who farmed very extensively in the neighborhood. Virgil, kindly and cheerful disposition has won for him a multitude of genuine friends, and his adherence and faith in the agricultural future of Iricana is well deserving of success.

Mr. and Mrs. Curtis Leonard were city visitors over the week end.

The skating rink is now an assured fact, thanks to the energy and thoughtfulness of our congenial hotel proprietor, Ralph L. Stone. Financially assisted in the venture, Mr. Stone has presented to the kiddies a real gift of skates, and it makes one's heart feel fine to see the rosy-faced kiddies enjoying our national winter sport on the ice.

The present climatical conditions are very similar to the dark and dreary winter of 1906-7, which ranch men of that day will recall with a peculiar chill down the spine. Grass growing in the early years of the present century in this district was considered a joke. Ranching was apparently a sound industry, and every rancher in the game counted his herd by the hundreds. The winter of which we speak set in in real earnest about the 15th of November, and held the mercury around 30 below from that date until late in March following, when spring broke the monotonous chill. Most cattlemen could count what remained of their herds on both hands. The winter killed cattle which filled every corral brimful, were stripped of their hides at a dollar per, and the carcasses left to lie head to the four winds. Undaunted, the prairie-bred of that period: Jack McLean, Bill Frederick, Archie McLean, Billy Freeman, and many others who suffered financially in the big loss, took their medicine like men of true western stamina, and in a few short years of hard shelling, were well "healed" and more.

During the previous week Mr. Elliott shipped seven carloads of cattle, to the Calgary stock yards, which included two carloads of prime beef steers from the ranch of Vaughan Kempton, Kooma. There was also included in the shipment a single cow, the property of one of our which met with a fabulous figure of nine dollars and twenty-three cents. This animal was the last of our vast herd. Make it Calgary, Jim. Here's how!

See Naylor, in charge A.P.P. affairs, Iricana, has assumed pro tem, the duty of our George Hoadley. Big Bee is the recipient of some three hundred liquor permits to be distributed to those who may desire. William and ourselves were the first to receive the handsome gift from the burly boy in blue.

His Eminence, Patrick O. Henry, well-known in the banking circles was a visitor to Iricana on Saturday. His Eminence arrived in town via the belted route.

All entrants are requested to register by Tuesday, January 6th.

Union Church Notes

A very fine crowd attended the Xmas concert on Tuesday last, when a very varied programme was presented. Too much cannot be said of the care and labour and usefulness of those who are interested in the Sunday School work and who arranged the programme. Mr. Pust, as usual, presided in a very genial manner, and gave Protestant people a few things to think about as well. A good supper was served to the children prior to the concert, and at the end of the Entertainment Santa came to distribute boxes of candy to all children in the church.

We are glad to state that our efforts to hold "A Giving" Xmas have been entirely successful. Some \$45 has been handed over to the Calgary "Sunshine Fund", together with a fine assortment of clothing etc. which had been sent for his purpose. With all who so generously contributed to our Xmas Tree this year please accept our thanks.

TUDOR

Owing to the cold weather, the "Literary Society" was called off for Friday evening, and was held Monday, when a very enjoyable evening was spent.

Hockey

The hockey boys have had several workouts, and have a strong team this season. The only trouble is that owing to the state of the roads it is difficult for an outside team to get to Strathmore, and by train it means loss of the greater part of a couple of days. However, the boys are doing their best to line-up some games.

An ice carnival will probably be staged in the near future.

The boys league is under way. The "Hinky Dinks," to whom Tommy Wright is acting as fairy godfather, defeated the Trail Rangers on Saturday by a 4-0 score. The same teams will meet again on Saturday, the 10th, from 7 to 8 p.m.

Don't forget to boost for the big hockey dance to be held on January 30, or for the big radio set to be given away at the dance. Tickets are now on sale everywhere. Get yours early.

Bowling

The standing of the teams in the Hub Bowling League, up till January 5th, was as follows:

	Played	Won	Lost
Coyotes	24	17	7

Ramblers	24	12	11
Badgers	27	12	15
Go-Getters	21	10	11
Beavers	21	7	14
Nightingales	21	5	16

Games during the week resulted as follows:

SILBERNAGEL, S. D.

THE CHRISTMAS ENTERTAINMENT

The postmaster Silbernagel, S. D. Xmas entertainment to place on Tuesday night. As this is the principal event of the season in the Beiseker locality, the school room was crowded to overflowing, and notwithstanding the frigidity of the night, several, unable to gain admission, clung to the windows to catch a glimpse of the several entertainers.

There were altogether thirty items rendered, every child on the register having his or her part to perform. The children were prepared by the music teacher, Mrs. Galtshier, an excellent and musician of exceptional ability. She it was, who first gave the flip to Xmas entertainments in the village of Beiseker, where the good work has since been continued by the teachers there.

The programme was very highly appreciated, parents and spectators being loud in their eulogies of the artistic ability shown by the pupils, big and small.

Santa Claus arrived at the close of the three hours' entertainment, and was very profuse in his distribution of candies and presents to the children and parents. This is not to be wondered at when one considers that the sum of one hundred dollars was taken in a short time previous at a box social, which amount was used exclusively towards the Xmas tree expenses.

A word of praise is due Mr. Galtshier, the energetic teacher, the trustees and the trustees' ladies for the part each respectively took in making the entertainment such a success. It may not be out of place to state here that this school has obtained the report of "75" for the past four years.

Craigantown News

A large number of Craigantown people gathered together at the home of Mr. and Mrs. J. A. Grant the last night of the old year, and one of the most enjoyable evenings was spent dancing the old year out and the new year in. At the stroke of twelve everyone sang "Auld New Year to One An' A'", and the ladies served some tasty lunch and coffee. Dancing was resumed till 4 a.m., and being a nice morning, everyone enjoyed the drive home in the sleigh after having spent a good time.

Mr. and Mrs. Envidson were pleasantly surprised by a large number of friends on Friday night, the 2nd, at the home of the bride's parents, Mr. and Mrs. George Collins. After a

School Column

On Tuesday evening, December 22d, the people of Berta Vale, and the surrounding district enjoyed a rare treat at the Berta Vale school. The occasion being the annual Xmas tree. Notwithstanding the inclemency of the weather, a large crowd availed themselves of the opportunity of hearing the little ones at their best.

The entertainment consisted of songs, recitations, and dialogues, and judging by the applause which followed each item of the programme, it shows that the people were delighted with the talent of the rising generation. After the entertainment, music was the delight of the children, good old Santa Claus arrived and presented each child with a bag of candy, nut-crackers, and a suitable present. While waiting for refreshments to be served, the young people engaged

in numerous games, including musical chairs, much to the amusement of the grown-ups.

Refreshments, which consisted of sandwiches, cake, coffee and tea, were then served, afterwards the people dispersed to their homes, speaking in a very appreciative manner of the enjoyable evening they had spent. Mr. Galpin acted as chairman of the entertainment.

Owing to the unavoidable absence of one of the pupils, we were unable to run on the humorous Irish dialogue

entitled, "Pat's Matrimonial Adventure", which we hope to be able to stage at a later date, due notice of which will be given.

The special prize offered at the school fair to the boy or girl obtaining the most points in the following classes: composition, penmanship, geography, arts and manual arts, resulted in a tie between May Taylor and Hilda Galpin, both of Berta Vale School. The prize was then awarded on a cash basis, with the result that Hilda Galpin received the prize, which was a pair of boots.

THIS HEALTHY YOUNGSTER IS CANADA'S PRIZE BABY

Mr. and Mrs. James Taylor, of Toronto, still are receiving congratulations on the honors won by their little son, Richard—pictured here in his father's arms. Richard, who is 17 months old, was announced the prize baby of Canada—according to the decision of the Judges in the Baby Show Showdown, which were held in conjunction with the Canadian National Exhibition at Toronto. Incidentally, little Richard's daddy is 63 years old and enjoying the best of health as this photograph will attest. Another subject for special articles in the scientific magazines.

LOCAL JOTTINGS

Mr. G. G. Robinson, Dentist, has gone to the Peace River on a business trip, and expects to be away till the end of the present month.

As will be seen from advertisement in our column, the new train schedule of the C.P.R. becomes effective January 11. Trains Nos. 3 and 4 will now arrive in Strathmore at 2:37 p.m.

Mr. Thomas A. Hicks, of Redfield, and formerly in business at Langdon, was found dead in a Calgary hotel on Sunday last. The cause of death was erysipeloid poisoning.

Readers will note that this week Langdon is added to our list of district notes.

Mr. Storey, of the well-known Damsel family, is now grain buyer for the N. Hawli Co. at Strathmore. His sister has for some time past been on the local telephone staff. He is a hockey player, and has already had some work on.

Dates of several annual school meetings will be found in our advertisement columns.

These are the times for sales. Readers will note the double page advert of Fox's Store in this issue.

An enjoyable dance, under the auspices of the G.N.V.A. was held in the Memorial Hall on New Year's Eve. A large crowd was present, notwithstanding the condition of the roads. Extreme sobriety characterized the Xmas and New Year festivities in this section, and no arrests of any kind were made. This says something for the working out and administration of the new liquor act.

Cheadle Notes

Mr. G. Lyons was a visitor over the holidays with friends and relatives in the district.

Miss Coy Miller has returned to Calgary to school, after spending the holidays with her parents.

Mr. and Mrs. T. H. Hickel spent Christmas with Mr. Hickel's parents in Calgary.

Grant and Mrs. Craig are home after spending the Christmas holidays at Stanton, their old home.

Mr. and Mrs. J. W. Payne left for Ontario to spend the winter.

The A. F. Union Co. will have another office built this week. The carpenters are about through now. The telephone repair crew are doing right along with the new poles, and we should have our rural phones in about a week.

Mr. and Mrs. J. G. Miller spent New Year with their son, Leslie, in Calgary. Earl Miller left for Rochester, Minn., to see if the Mayo Hospital doctors can do anything for him.

OF LOCAL INTEREST

Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 68.

The Alberta Government has a profit of \$124,000 on liquor sold since the new Liquor Act came into force until the end of the year. This goes to show the amount of money previously going into the hands of the bootleggers in the years previous.

The feature picture at the Memorial Hall, January 10th is Gloria Swanson in "Manhandled". Flusterians will not be shown till January 24th here, the film having been held in Edmonton owing to public demand.

The telephone are all working again, with the exception of rural lines 17, 18, and 19, and these will be in operation by the end of the week. The new poles on the main line to Calgary are up to two miles west of Cheadle.

Namaka Notes

Mr. Mark Anglin left on Sunday for Claresholm, having spent the Xmas vacation at his home.

Mr. and Mrs. Johnson arrived home from their honeymoon at the coast on Thursday last, January 5. They picked a good day, thereby missing a real reception.

The Ladies Aid will meet at the home of Mrs. A. Young on Thursday, January 8th.

A carload of fat cattle was shipped from this point last week by Mr. C. Denis.

Mr. Chester Edwards accompanied by Miss Eunice Watts spent New Year with his parents at Majorsville.

Mr. Isaac Baker left on Sunday for Calgary at which place he is putting in a term at the Technical School.

Jack Anglin arrived home from Edmonton last week. He was the representative of this district at the boys' parliament.

Mr. Rowe walked to Namaka from Strathmore on Sunday last to hold service.

At the annual meeting of the U.F.A. held in the U.F.A. office on Saturday last, the following were elected to office for the ensuing year: President, E. F. Wheeler; Vice-president, G. L. Peterson; Sec.-Treas., H. Hanson. Harvey Hanson was appointed as delegate to the annual convention to be held in Calgary.
